American Writing Machine Co.,
Atlanta, Ga. (Branch)
Gentlemen:-

We have your letter of the 17th, in reference to the Atlanta City Directory. The writer has always considered this particular advertising a good investment for various reasons. It has brought business directly to us. The book itself is indispensable for your office, in addition to which we have always found Mr. Hill a good booster for his advertising patrons, even at times sending them business far in excess of the cost of the advertising.

You, therefore, have our permission to renew your contract covering the advertising space which we have been carrying for several years.

Very truly yours,

AMERICAN WRITING MACHINE CO.

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money.
